ECHELON,

Excellent work spreading the word about the [Forever Night Never Day](#) tour. Keep talking about the tour (and spreading the [Tour Page](#)) and let's make sure we get a huge crowd at all of the shows. This week we're going to focus on the new 30STM single... "THE KILL"

{ Stream 'THE KILL' Everywhere }

This week, let's make sure ["THE KILL"](#) is playing everywhere online...
Here's what to do:

- Use the [CODE](#) below to stream ["THE KILL"](#) on your personal websites, LiveJournal/Xanga pages, or other blogs. (This code will make THE KILL automatically play when anyone is on your page)
- If you have a **MySpace** page, go to www.myspace.com/thirtysecondstomars and click the ADD link next to "THE KILL" on the media player to add the song to your MySpace page (make sure to add the band as a friend while you're at it if you haven't already)
